Admissions to all the above University courses are now open and spot admissions were done in _____city at _____venue.

University Grants Commission (UGC). With the vast globalization, it is bear essential for the students to grow up to standards accepted worldwide and develop and to cherish and practice them for the lifetime.

Education is meant for change, betterment and prosperity added Mr. Vilas B. Sawant, Each one of us is born with a special gift and the innate potential to become a swan. We urge to every potential student to harness that intrinsic ability ad while there is no rigid formula to success, there certainly are some dos and don'ts, follow them. A student thereby must First Aim High. Second Develop a strong Will Power. Third Assure yourself that there is no substitute for Hard work. Fourth Time Management Fifth Remember, there is no shortcut. Metropolitan believes in Value Education and Valued Education, hence, we go hand in hand with the University of Pune motto - The motto of the University stresses on 'Kriyavaan' (one who is engrossed in creative action) and maintains that the one who contributes to the well being of the society is the real Pundit (Sawant). We give ample scope for the students to showcase their skills and to excel them, giving students the right platform to demonstrate them.

Mr. Anil Shete, Sr. Education Advisor, Metropolitan briefed the press that more than 200 students attended the seminar on Careers in Recession. Students of 10th, 12th and Graduation were given appropriate one to one guidance based on their aptitude test determining the course they could select for their future. The courses included Diploma, Graduation and Post Graduation level courses in the streams of Hotel Management, Computers, Management, Training Education and Food Processing. Emphasizing on the current economic scenario, Mr. Shete explained that Recession is the right time to Invest. This means that the next decade will be a decade of Entrepreneurs. Jobs being scarce, ample opportunities will exist for businessmen, consultants, temporary jobs etc. There by skill sets in the streams of Cookery, Bartending, Housekeeping, Technical Support (BPO, KPO) will be in high demand. Sectoral growth of the Tourism industry can be considered for a venture option in business in various streams like adventure, religion, social, medical, agriculture tourism etc. The advent of technology in medicine sees the need of well trained nurses and assistants. Also the technology in the field of Food Processing and Preservations gives immense opportunities to budding innovators. Metropolitan is offering a exposure to all the above under one roof at Hadapsar, Pune and at Ville Parle at Mumbai and admissions for them are open currently on first come first serve basis:

With a note of academics, Mr. Nilesh R. Tupe, CHE,

Vilas B. Sawant

President, Metropolitan Education Trust

Vilas Sawant, President, Metropolitan Education Trust said that achieving the above targets would not have been possible without the implementation of Quality Excellence in Education through ISO. Practicing it, Metropolitan today is India's first ISO 9001:2008 Quality Certified Group of Colleges. This in itself is a Milestone which many have tried achieving but not attained. As rightly said by Vice Chancellor, University of Pune, Dr. Narendra Jadhav a student must do what he is interested in, at the right place, . Doing the courses offered by the UOP will offer the students Quality Assurance of University with Potential for Excellence (UPE) accorded by the

Principal, Metropolitan HMCT introduced the concept of K Power implemented by the University of Pune. The objectives behind the program are as follows:

- To provide the latest skills and knowledge as required for the IT enabled services in various industry sectors.
- To provide adequate industry exposure to enhance the employment potential of participating students.
- To foster partnerships between the industry and the colleges.

To achieve the above, unique curriculums are designed for every course covering Basic Communication Skills (Written and Oral), Interpersonal Skills, Computer Literacy, Knowledge Service Industry Characteristics, overview of sector wise knowledge service domain and understanding customer requirements for knowledge service. Emphasis was also laid on the English proficiency of the students for which the college has a unique tie up with University of Cambridge offering proficiency certification in English equivalent to the level of IELTS. Special care is also taken for students poor in English.

Stressing that Right Knowledge can be delivered

only with the right Infrastructure, Mr. Tupe threw light on the stronghold latest wi fi campus of Metropolitan at Hadapsar, Pune. Latest equipments, laboratories to suit appropriate purpose, auditoriums, computer lab with Internet facility, e Library, Language Laboratory, Research Laboratory, Food Court, Training Kitchens and Restaurant, attached Hotel for Mock up and Training and air conditioned classrooms and give them a learning experience of a life time. Teaching methodologies like role play, brain storming, group discussions, events and festivals add to the personality growth of the student. On campus Hostel facilities for boys and girls with Canteen, recreational areas add to the experience.

Mr. Vilas B. Sawant, President, MET, has been the lead for initiating the tie up, and has been successfully operating the trust while talking about the career options, stated that the Careers are Highly rewarding and high paying as well when a student is raised at the right place at the right time.. "A student with the right professional training in a highly conducive atmosphere for studies gets the molding of a real professional. At Metropolitan, the

students not only learn the profession but also live it". The dream of traveling abroad on doing studies comes to life in Metropolitan only. Metropolitan has unique Industry tie ups in India and abroad, the Board of Directors, drawn from leading corporate houses, it is at par to the Industry. This has helped to evolve 100% placement opportunity. Metropolitan is also associated with Industry Committees like the Confederation of Indian Industries (CII), Mahratta Chamber of Commerce (MACCIA), Federation of Hotel and Restaurant Association of India (FHRAI) and the Poona Hoteliers Association (PHA). With relentless efforts, Metropolitan has achieved 100% placements till date and has a backing of more than 7000 alumni in the last 19 years of operations. The mantra for this success has been Repute Industry Tie Ups, Well Experienced Faculty, On the Job Training and Quality Education through Quality affiliated Universities. Metropolitan today boasts more than 40% of its students in UK or USA for jobs or further studies.

It could thereby be rightly said that, Admissions to Careers (not for courses) are now open at Metropolitan and select students must apply immediately following the quick steps to admissions:
